STARTED UP FOUNDATION **DON WETTRICK** JUNE 12, 2023 @ 4PM

Don Wettrick is the President and founder of STARTedUP, a nonprofit that provides entrepreneurial events, training, and seed funding for young entrepreneurs. STARTedUP also supports Innovate WithIN, a state wide pitch competition in Indiana. Wettrick is also a podcast host for STARTedUP, which hosts some of the world's most successful entrepreneurs and authors.

Who Is This For?

Students

Take something you're passionate about, and bring it to life!

Educators

Learn how to build a culture of innovation and entrepreneurship in your community

Individuals

Any entrepreneur looking to learn more about training or seed funding

Corporate

Don't wait to make a difference. Empower the next generation.

The most elite high school pitch competition in the country.

Innovate WithIN is Indiana's annual high school pitch competition. This competition allows high schoolers from every region of the state a chance to pitch their entrepreneurial idea for a chance at \$25,000 and the opportunity to collaborate with world-class innovators to help turn their business from a dream into a reality.
